Good teaching-learning in this college

- (1) Ask them to take a topic for self learning.
- (2) Encourage them to ask questions.

Be more friendly with students

Playground,

1. Regularity of classes is needed.
2. Teachers need to stop demotivating students as it ruin the students overall mental health.
3. Teachers should be more approachable so that we(students) can clear our doubts.

A college auditorium is needed.
More teachers be available.
Library privileges to be extended.

My Geography department HOD SAYS Always be happy

Teaching process is good, time to time class, frind shep behe be here

Institute should emphasize on practical.

Professors who are good are good. Have knowledge in their subject. And there are some professors who are even worse. Sometime we got wrong information from those prof.s and they didn't even tried to make it right like Mamataj sir. Some guest lecturers are good for nothing. They are taking class of a PG course and they came with prepared notes everyday no extra knowledge out of those books or notes like S K Raut sir and Biplab Mandal sir Angsuman Chanda Sir. And that's limit our knowledge, making it shallow and I think which is really a matter to worry!

1. More practical classes in our subject.
2. Smart learning processes...like using projector, Multimedia in our class.
3. Outer knowledge about our subject..like types of exams, how to prepare for those exams etc on life sciences.

I think „some teachers should be appointed in our zoology department

Very good

According to my experience as a student is neutral. Because some teachers work very hard and give their best for students. I am sorry to say this but some teachers needs to improve their teaching skills and knowledge about their subject.

Nothing to say

1. Establish online fees payment process .
2. We need more teachers in our department.
3. Need better management in our department.

1. Should good connection between students with teacher.
2. Identify weakness of student and help them to overcome by teachers.
3. More practical work.

Decipline.
Good learning.
Teacher better teaching.

Decipline good learning teachr betar teaching

Good education, good skills, good activities

No suggestion to say....

Need to check online

No suggestion

College classes are not like before.Because there is no practical class.There is no interest in doing this again after any sir or class for online. When we did offline classes in the first year, there were a lot of better classes and a lot of practicals.

enhance the library facility
